

## CPR Training Class

Sarasota Military Academy Lacrosse Program and US Lacrosse Gulf Coast Florida Chapter are hosting a CPR training class. Upon completion of the class, participants will receive a AHA BLS (Basic Life Support) certification card that is good for 2 years.

**This class is open to all referees, coaches, officials, players, friends, and family**

**Registration is \$45**

**RSVP Today**

### Instructors:

The class will be conducted by 2 certified trainers from the Fire Department and supplemented by both Dr. James Villotti and Lt. Mike Martino of the Sarasota County Fire Department, who also holds a ACLS (Advanced Cardiac Life Support) certification.

### Location:

SMA High School  
801 N. Orange Ave  
Sarasota, FL 34236

### To Register please contact:

Ken Cowles  
ken@kencowles.com

**Date:** January 16th, 2010

**Time:** 9:00am to Noon

**Cost:** \$45

### Learn CPR

Our CPR training will provide you with the necessary skills to provide emergency medical care as a first responder.

The event will open with a 20 minute overview of Dr. Villotti's observations and suggestions as to safety planning and considerations as they relate to the lacrosse fields. Including overview of AED, hydration, concussion, heat illness, pre-participation physicals and issues related to competitive play.
