Dear Michael:

On behalf of all three hundred Bank of America Associates and Families in attendance, I want to personally thank you for making our annual Associate Picnic truly memorable.

Simply put, your group did an outstanding job. The young adults in your program should be congratulated for their efforts both behind the scenes serving as well as helping entertain our many guests. All of those in attendance seemed captivated by the skill and precision demonstrated by the Drum Corps during their performance.

It is very rewarding to me to see talented young people working hard as a team to accomplish a goal. I am glad that we were able to contribute to your cause and hope that your group will enjoy their new band equipment for years to come.

Once again, my sincerest thanks to your entire group.

Sincerely,
