

An independent college preparatory school
for students PK through grade 12

May 5, 2008

Dear Mr. Finley and Drumline Students from the Military Academy,

The students, faculty and administration of the Out-of-Door Academy want to extend our heartfelt thanks to you and your students for bringing your talented students to perform for us. We enjoyed a month of preparation and your concert served as the culmination of a wonderful unit of study.

As a result of your concert, there are many students who are now inquiring about percussion lessons. Thank you for inspiring us to greater heights!

We look forward to following the advancement of your music students. I hope that we will hear them perform again in the near future.

Sincerely yours,

Dr. Linda Vasilaki
